NOTIFICATIONS.

The 27th January 1891.

No. 1.—It is hereby notified for public information that the undermentioned Jodi villages, which have been duly attached in satisfaction of the arrears of revenue due to Government (as shown in the subjoined statement) by the said Jodidars will be sold by public auction at the places and on the dates mentioned in the annexed statement. The sale will commence at 11 A. M. on the dates specified, and the villages will be knocked down to the highest bidder without reserve.

2. Provided that when a village is divided into separate recognized vrittis, the Deputy Commissioner may, at his option, instead of selling the village as a whole, sell each vritti separately.

3. The purchaser will be required to deposit 25 per cent of the purchase money at the time of sale, and where the remainder of the purchase money may not be paid within fifteen days from the day of sale, the money so deposited shall be liable to forfeiture.

4. When such deposit shall not be made nor the remaining purchase money paid up, the land shall be resold at the expense and risk of the first purchaser.

5. Persons bidding at the sale may be required to state whether they bid on their own account as agents, and in the latter case to deposit a written authority signed by their principals, otherwise their bids may be rejected.

6. The sale shall be stayed, if the defaulters or any other person acting on their behalf claiming an interest in the land tender the full amount of the arrears of revenue with the interest and other charges before the property is knocked down, or give satisfactory proof that the amount of the arrears, &c., has been paid up.

7. Purchasers having completed the payment of the purchase money will, as soon as the sale has been confirmed, be placed in immediate possession and the villages will be registered in the name of the purchaser, and a certificate of sale signed and sealed by the Deputy Commissioner will be granted to him. It is to be distinctly understood that the Government are not responsible for errors of description and in estimated extent.
